

**RIVERHEAD COMMUNITY AND SERVICE CLUB
SCHOLARSHIP APPLICATION**

Each year a number of scholarships are available and given to high school seniors in Riverhead for the purpose of financing their education beyond high school. The awards are made on the basis of character, scholarship, need, activities, interests and promise for future leadership and service. Although some organizations have their own forms to be completed, several awards/scholarships require this Local Scholarship Application. Please be advised that scholarship deadlines vary and it is the student's responsibility to meet that deadline for each scholarship they are applying for.
