MINUTES
BOARD OF EDUCATION
Regular Meeting – August 22, 2006
Riverhead High School Auditorium

PRESENT: President, Mrs. Nancy G. Gassert; Vice President, Mr. W. Brian Stark; Mrs. Kathleen Berezny; Ms. Angela DeVito; Mr. Timothy Griffing; and, Mrs. Christine Prete.

ABSENT: Mrs. Mary Ellen Harkin.

ALSO PRESENT: Mr. Paul R. Doyle, Mr. Joseph Singleton, Mr. Joseph Ogeka, Ms. Nancy Carney and Christopher Venator, Esq.

President, Mrs. Gassert, opened the meeting at 5:48 p.m. with the pledge of allegiance to the flag.

Pledge of Allegiance

A motion was made by Ms. DeVito, seconded by Mr. Griffing, to recess to executive session to discuss negotiations (RCFA fact-finding report and RTAA) and land acquisition/sit selection (new high school).

Recess to
Executive Session

Yes 6 No 0
Motion Carried.

The Board of Education recessed to executive session at 5:49 p.m.

A motion was made by Mr. Griffing, seconded by Mr. Stark, to return to open session.

Return to
Open Session

Yes 6 No 0
Motion Carried.

The Board of Education returned to open session at 7:34 p.m.

A brief recess followed.

The meeting resumed at 7:45 p.m.

There were about 30 other people in attendance.

ALSO PRESENT: Mrs. Barbara O’Kula.

Minutes
Board of Education
August 22, 2006
Page 2

This being Mr. Singleton's last meeting, on behalf of the Board of Education, Mrs. Gassert thanked Mr. Singleton for the incredible job he has done to serve the district in the capacity of Interim Assistant Superintendent for Business for the past two years.

A motion was made by Mrs. Berezny, seconded by Mr. Griffing, to amend the agenda as follows:

Mr. Doyle introduced Mr. Marvin Davis of Siemens Building Technologies (based in Bohemia) who then gave a presentation on their proposal to meet the district's energy performance needs in terms of making energy savings dollars more effectively used. Proposed facility improvement measures such as lighting retrofit and occupancy sensors, comprehensive energy management system, boiler replacement/heating system upgrades, HVAC improvements and weatherization were reviewed. According to Mr. Davis, the savings are guaranteed annually to the district and will be sufficient to cover the financing of the installation of the improvements. He further stated that if in any one calendar year of the program the savings fall short...Siemens will make up the difference directly to the district. They are the single source of responsibility. Mrs. Prete requested a summary of fees.

Energy Performance
Presentation
-Marvin Davis/Siemens

Mr. Doyle stated that once the projects are identified and approved by the Board, they will be submitted to the residents for a public vote. He asked the Board of Education to consider a resolution to approve RFP's for energy performance that allows the district to advertise for specific proposals as the Board is charged with determining which projects need to be addressed in priority manner. Mr. Singleton explained that the list represents estimated ballpark costs that need to be refined by the Board in areas of major concern followed by Board approval and authorization to move ahead with the architects who will then develop a comprehensive list for submission to the Board in the next several weeks.

Messrs. Roger Smith and Larry Salvesen, AIA's from Burton, Behrendt & Smith, then spoke on some of the capital projects submitted to the Board of Education that can be fit into the \$10 million capped Capital Reserve Fund approved by the voters. A partial list of items in need of repair and upgrade include:

Capital Reserve Fund
Projects
-Burton, Behrendt & Smith

-replacement of second boiler at the high school and renovation of the air conditioning system

Minutes
Board of Education
August 22, 2006
Page 4

- kitchen renovations at several of the schools that will enable meals to be prepared on site (the present system used is not satisfactory and severely limits space)...the scope to be determined for Aquebogue, Phillips, Riley, Pulaski, Middle School and High School)
- replace/upgrade fire alarm systems at several of the schools to remedy safety issues and comply with ADA mandates
- installation of emergency generators at the high school that is identified as a community evacuation shelter site (Mr. Griffing suggested that the Town share in the cost to the benefit of the community, *i.e.*, assist to provide generators or consider emergency preparedness grant applications)
- (mandated) replacement of the steel oil tanks at Aquebogue (installed in 1952) and the High School with addition of monitoring systems
- renovations to provide accessibility to the second floor of the Middle School and (mandated) accessibility renovations to the bathrooms at Aquebogue, Phillips, Riley, Pulaski, Middle School and High School
- (mandated) powered roof exhausters and clean ductwork to improve indoor ventilation/air quality at some locations
- (mandated) upgrade of emergency and exit lights at Pulaski
- removal of old tennis courts at Pulaski (re-grade and restore to permit more playground space)

Mrs. Prete cited the need for new lockers everywhere at the High School and recommended this inclusion in the elements for Board consideration and determination. Mrs. Berezny cited the small amount of monies allocated to the Roanoke Avenue Elementary School (Mr. Doyle stated that it was the Board's position that Roanoke would be phased out and no improvements would be made in the long term plans with the idea of building a new high school and moving the grades/buildings up.)

Community comments included:

- status of new procedures in accordance with Title IX for 2006-07 (Mr. Doyle stated that procedures are in place in all schools).

Community
Comments

Minutes
Board of Education
August 22, 2006
Page 5

- presupposition that Roanoke was to get a new boiler from the approved \$700,000 referendum of two year ago (Mr. Singleton stated that Roanoke was not scheduled nor proposed to get a new boiler...a new hot water heater was provided...the one boiler proposed in the referendum was for replacement of the damaged one at the High School which is in the process of being installed).
- has the district purchased any land for a new high school site to which the answer was "no"
- status of the Board's mission and goals (slated for the September 5, 2006 meeting as per Mrs. Gassert)
- manner in which buildings are identified as evacuation shelters (*i.e.*, Pulaski was built as a bomb shelter). Mr. Doyle stated that the State of New York and the American Red Cross identify buildings to be used as emergency shelters; and, Mrs. Prete stated that all schools are potential candidates for shelters.
- request for number of mentors in the district (Ms. Carney stated that the district has one f/t secondary mentor and one f/t elementary mentor, both of whom facilitate the entire program throughout the district, as well as, part of the mentor/teacher intern grant fully funded by the State. Mr. Doyle stated that the number of mentors depends on the number of new teachers hired every year (*i.e.*, ratio of new teachers district-wide to mentors).

A motion was made by Mr. Stark, seconded by Mr.Griffing, to approve the following resolution:

RESOLVED, that the Board of Education of the Riverhead Central School District accepts the following recommendations of the Committee on Special Education regarding children with disabilities and whose Individualized Education Plans need to be implemented:

Committee on
Special Education
-Approved

Motion Carried.

A motion was made by Mr. Griffing, seconded by Mr. Stark, to amend the agenda and approve the following resolution:

Approval of
Bond Counsel

Minutes
Board of Education
August 22, 2006
Page 7

RESOLVED, that the Board of Education of the Riverhead Central School District hereby appoints the firm of Orrick, Herrington & Sutcliffe, Douglas Goodfriend, Esq., as bond counsel for the Riverhead Central School District.

-Orrick, Herrington & Sutcliffe
-Douglas Goodfriend, Esq.
-Approved

Mr. Doyle stated that the appointment is for two specific actions: Bond Anticipation Notes for buses, \$1,915; and, Tax Anticipation Notes (estimated \$20 million) for \$8,260 – these are fees paid for bond counsel.

Yes 6 No 0
Motion Carried.

A motion was made by Mrs. Prete, seconded by Mrs. Berezny, to approve the following resolution:

Approval of Wind Ensemble Club
-Approved

RESOLVED, that the Board of Education of the Riverhead Central School District authorizes the approval of the *Wind Ensemble Club* and the deletion of the Technology Club effective the 2006-07 school year, as per the RCFA contract.

Mrs. Prete requested an explanation. Mr. Doyle stated that funds are approved and carried in the budget for this proposed Wind Ensemble Club that, also, acknowledges the RCFA contract so a person can qualify for stipend. The recommendation is to take and replace dollars from the defunct Technology Club and create a Wind Ensemble Club. Mrs. Prete informed the audience that this new club is for advanced students in 7th and 8th grades in the Middle School...a good thing for kids to get involved in...and many thanks to Dave Loddengaard for his pro active efforts.

Yes 6 No 0
Motion Carried.

A motion was made by Mr. Griffing, seconded by Mrs. Berezny, to approve the following resolution:

Contract for Cooperative Educational Services

Minutes
Board of Education
August 22, 2006
Page 8

RESOLVED, that the Board of Education of the Riverhead Central School District approves the agreement between the Board of Cooperative Educational Services for Eastern Suffolk BOCES and the Riverhead Central School District for the 2006-07 school year; and, authorizes the President of the Board of Education to sign such agreement.

-Approved

Mrs. Prete requested verification of dollar amounts - \$7,880,000 plus (Mr. Singleton stated that the contract is for below budget items because we don't always commit to the actual budget in the contract); \$297,000 (Mr. Doyle stated that the administrative costs with BOCES is Riverhead's share); dormitory and rental costs (Mr. Singleton stated that these are debt payments for BOCES' rental of our facilities, i.e., summer school, etc.) Cost of actual service is \$7.4 million.

Yes 6 No 0
Motion Carried.

A motion was made by Mrs. Berezny, seconded by Mr. Stark, to approve the following resolution:

Universal Pre-K
Providers 2006-07
-Approved

RESOLVED, that the Board of Education of the Riverhead Central School District approves the following as Universal Pre-Kindergarten providers effective September 1, 2006 through June 20, 2007:

Alternatives for Children
Head Start
Just Kids
Kiddie Academy
SCOPE
St. David's

Yes 6 No 0
Motion Carried.

A motion was made by Mr. Griffing, seconded by Mr. Stark, to approve the following resolution:

Participation in
SUNY Albany Courses

Minutes
Board of Education
August 22, 2006
Page 9

RESOLVED, that the Board of Education of the Riverhead Central School District authorizes the Agreement between the University at Albany and the Riverhead Central School District as approval for the Riverhead High School to offer the courses submitted on the District's 2006-07 Planning Sheet/Class Schedule for University at Albany credit in accordance with the terms of the agreement; and, authorizes the Superintendent of Schools to sign the agreement.

-Approved

Mrs. Prete inquired as to students' ability in the program to transfer these advanced class credits immediately upon completion to any state school to which Mr. Doyle responded "yes". Mrs. Prete requested a list of courses being offered.

Yes 6 No 0
Motion Carried.

A motion was made by Mr. Griffing, seconded by Mrs. Berezny, to approve the following resolution:

Overnight Trip
-NJROTC
-Approved

RESOLVED, that the Board of Education of the Riverhead Central School District approves the participation of the NJROTC Unit #96871 (approximately 40 cadets) to the third Annual combined Basic Leadership Training (BLT) from October 6-8, 2006 at the Dorothy Flint 4-H Camp on Sound Avenue in Riverhead, New York. Transportation is subject to approval pursuant to Board Policy.

A motion was made by Mr. Stark, seconded by Mrs. Berezny, to approve the following resolution:

Teachers on
Special Assignment
-Approved

RESOLVED, that the Board of Education of the Riverhead School District approves the appointment of Laura Grable as a FTE (1.0) secondary mentor teacher on special assignment and Vanessa Amodemo as a 3/5 (.6) elementary mentor teacher on special assignment effective September 1, 2006 through June 30, 2007.

Yes 6 No 0
Motion Carried.

A motion was made by Mr. Stark, seconded by Mr. Griffing, to approve the following resolution:

Request for Proposals
-Energy Performance
Contract
-Failed

WHEREAS, an energy conservation audit of the Riverhead Central School District by LIPA has identified many areas that savings can be effected, and

WHEREAS, the approved Capital Reserve Fund will not allow for inclusion of all projects where energy savings may be accomplished, and

WHEREAS, New York Energy Law, Article 9 and the Commissioner of Education's Regulation 155.20 allows for the Boards of Education of school districts the ability to enter into Energy Performance Contracts (EPC's), and

WHEREAS, the cost of improvements under Energy Performance Contracts are financed by the savings from the reduction in energy usage over a period of years, and

WHEREAS, the Long Island Power Authority has identified areas of potential savings, therefore, be it

RESOLVED, that the Superintendent of Schools, after review by District Counsel, is hereby authorized to issue a Request for Proposal for an Energy Performance Contract.

Minutes
Board of Education
August 22, 2006
Page 11

In a discussion that followed, Mrs. Prete requested confirmation that this resolution recognizes proposals only. Mr. Doyle stated that this is a means to get ideas of proposed projects that could be done...it gives contractors an opportunity to submit other initiatives that could save the district money. Ms. DeVito stated that it should be clear as to whether any future performance contract/contractor/sub contractors are subject to the Wicks Law to which Mr. Singleton offered to verify although he believes that they are not as it is one contract/contractor who subs out for electric, general construction, etc. Board members, Berezny, DeVito and Prete were in agreement for the district to begin to implement some of the various basic/simple recommendations and assessments in LIPA's preliminary energy report while at the same time entertaining energy performance proposals for additional savings to the district. Mr. Singleton stated that LIPA's report is only a survey and they do not implement the recommendations.

Mr. Doyle was clear in stating that any items on the list need to be refined by the architects with submission of that refined list to the Board who will make the final determination on what pieces might be congruent or supportive of the energy projects...it is the Board's decision to agree to any contents/elements if the energy performance contract goes forward. Mrs. Berezny commented that a number of items are missing from the list and requested confirmation as to whether all buildings were examined. Mr. Singleton stated that an examination of every room in the district was made by Daylight Savings Company (hired by LIPA) to conduct the energy audit.

A motion was made by Mr. Stark, seconded by Mr. Griffing, to approve the following resolution:

Capital Reserve
Fund Projects
-Failed

WHEREAS, on June 20, 2006, the residents of the Riverhead Central School District approved a Capital Reserve Fund in an amount not to exceed \$10,000,000, and

WHEREAS, the District's five-year capital plan required by the State, has identified Health and Safety required improvements in each building, and

WHEREAS, Federal and State regulations require that buildings be modified so programs and facilities are accessible to all, including students and residents with handicapping conditions, and

WHEREAS, the building principals have provided input on the projects for their buildings, and

WHEREAS, the Architectural firm of Burton, Behrendt & Smith, at the request of the District, has included other improvements required within the funding available, based on the needs of the facilities including energy conservation projects, and

WHEREAS, the Board of Education has had an opportunity to review the attached recommended list of needed projects, therefore, be it

RESOLVED, that the law firm of Ingerman Smith is hereby authorized to draft the necessary propositions and notices required for Board and voter approval, and the Architectural firm of Burton, Behrendt & Smith are hereby authorized to proceed with the necessary pre-referendum work required, and be it further

RESOLVED, that the President of the Board of Education is authorized to sign the necessary contract amendment with Burton, Behrendt & Smith to cover the work of the Capital Reserve Fund.

A motion was made by Mrs. Prete, seconded by Ms. DeVito, to approve the following resolution:

RESOLVED, that the Board of Education of the Riverhead Central School District accepts the Fact-Finder's Report and Recommendations in its entirety in the matter of Fact-Finding between the Riverhead Central Faculty Association (RCFA) and the Riverhead Central School District.

The Report was received by the District on August 18 and the Board of Education must take action within (5) days of its receipt. Christopher Venator, Esq. reviewed the recommendations contained within the report. The District and the RCFA must now go back to the bargaining table and use the Report as a framework and basis to resume negotiations. The report is a public report and can be seen in its totality. Mr. Stark urged all members of the community to carefully read the report that will dispel a lot of rhetoric in the community.

Additional comments heard from the community include:

Community
Comments

- status of closure on the books for 2005-2006 (Mr. Singleton stated that the final report has not yet been received). A public presentation by the auditors on the budget vs. expenditures was requested once the auditor's report is completed.
- request that the report given by Siemens be posted on the website
- request to include dollar amounts/financial impact within context of resolutions
- suggestion that the district pay teachers at the end of each school year @ 60% rate
- assessment on security/safety issues of the district (Mr. Doyle stated that the district has received a federal grant for emergency management and has developed an emergency plan for each building (training for all staff and communication with parents) that includes some actual mock drills (lockdowns, fire drills, etc.) that must be documented and reported as part of the grant criteria.
- how many of **our** students participate in the Good Grief bereavement camp at Shelter Island (Mrs. Gassert stated that the camp is a social issue and not an educational one...it pre dates most of the current Board composition in terms of involvement.)
- suggestion to coordinate an evacuation plan and use of shared services with the Town (Mr. Doyle stated that the Town does not regulate what the school does; however, the district will ask various departments within the Towns of Riverhead and Southampton and take suggestions from the Police Department.)
- availability of list of elements contained in the preliminary list of capital projects (Mr. Doyle stated that the list is available for the community...that the Board must decide on what projects will be included...then be submitted to the community for final say by way of a public vote).
- urge for the Board to do its due diligence in the event of any terrorist attack as it relates to chain of command, etc. and importance that one company works with our municipality (Mrs. Gassert stated that input will be sought from the community).

The Board of Education extended "Get Well" wishes to Molly Roach.
