Mr. Doyle reported that after a series of informative meetings with staff today, the buildings are in great shape for the opening of school on Thursday.

Opportunity for
Superintendent

Ms. DeVito extended belated Labor Day wishes to all and made special mention of the district's faculty and staff who contribute so much to our schools and community. She stated her cognizance as a new Board member to catch up so that contributions to deliberations and actions are a model of exemplary behavior. She then proceeded to read a personal statement regarding a number of recent inferences and comments made by the Superintendent in the Board packet of September 1st regarding her need to attend state required courses on fiscal management and about her invitation extended to Supervisor Cardinale to attend the New Teacher Institute. She assured both administration and the public she serves that she is working toward achievement to obtain the required training and that her invitation to the Supervisor was misinterpreted, inasmuch as, she was acting solely as a good citizen.

Opportunity for
Board Members

Mr. Doyle apologized for any appearance of impropriety or disrespect.

Mrs. Harkin questioned the need to bring private disagreements before the public.

Mrs. Berezny expressed her opinion that Ms. DeVito will make an excellent Board member and that the entire Board and administration should "come together" in their mission to make good sound decisions for the district. She thanked Nancy Carney for allowing Board members to attend the New Teacher Institute; and, that starting September 1st, our schools will be green-cleaned which means that environmentally sensitive cleaning and maintenance products will be used to minimize adverse impacts of children's health and the environment. Making reference to a recent article in The News Review on the shortage of experienced workers (*i.e.*, carpenters, mechanics, plumbers, electricians, etc.), she encouraged students to become skilled laborers and to take advantage of BOCES vocational programs and still have the opportunity to attend college despite the myth that graduates of BOCES often do not seek additional education.

Mrs. Prete stated that the presence of the Town Supervisor at the New Teacher Institute was a matter of courtesy and manners. She suggested that the Board work toward betterment of our schools and communities with the Towns of Southampton and Brookhaven, as well; and, that we be open with all our elected officials.

Both Mr. Griffing and Mr. Stark suggested that the meeting move forward to address the educational issues at hand.

A motion was made by Mr. Stark, seconded by Mr. Griffing, to approve the following resolution:

A motion was made by Mr. Stark, seconded by Mr. Griffing, to approve the following resolution:

Request for Proposals
-Energy Performance
Contracts
-Approved

WHEREAS, an energy conservation audit of the Riverhead Central School District by LIPA has identified many areas that savings can be effected, and

WHEREAS, the approved Capital Reserve Fund will not allow for inclusion of all projects where energy savings may be accomplished, and

WHEREAS, New York Energy Law, Article 9 and the Commissioner of Education's Regulation 155.20 allows for the Boards of Education of school districts the ability to enter into Energy Performance Contracts (EPC's), and

WHEREAS, the cost of improvements under Energy Performance Contracts are financed by the savings from the reduction in energy usage over a period of years, and

WHEREAS, the Long Island Power Authority has identified areas of potential savings, therefore, be it

RESOLVED, that the Superintendent of Schools, after review by District Counsel, is hereby authorized to issue a Request for Proposal for an Energy Performance Contract.

In a discussion that followed, Mrs. Prete questioned the timeline as to when the district would reap the effects of cost saving measures taken. Mr. Doyle stated that passing the resolution provides the ability to serve notice that the district is interested in receiving proposals...there is no obligation on part of the Board to accept

A motion was made by Mr. Griffing, seconded by Mr. Stark, to approve the following resolution:

Capital Reserve
Fund Projects
-Approved

WHEREAS, on June 20, 2006, the residents of the Riverhead Central School District approved a Capital Reserve Fund in an amount not to exceed \$10,000,000, and

WHEREAS, the District's five-year capital plan required by the State, has identified Health and Safety required improvements in each building, and

WHEREAS, Federal and State regulations require that buildings be modified so programs and facilities are accessible to all, including students and residents with handicapping conditions, and

WHEREAS, the building principals have provided input on the projects for their buildings, and

WHEREAS, the Architectural firm of Burton, Behrendt & Smith, at the request of the District, has included other improvements required within the funding available, based on the needs of the facilities including energy conservation projects, and

WHEREAS, the Board of Education has had an opportunity to review the attached recommended list of needed projects, therefore, be it

RESOLVED, that the law firm of Ingerman Smith is hereby authorized to draft the necessary propositions and notices required for Board and voter approval, and the Architectural firm of Burton, Behrendt & Smith are hereby authorized to proceed with the necessary pre-referendum work required, and be it further

RESOLVED, that the President of the Board of Education is authorized to sign the necessary contract amendment with Burton, Behrendt & Smith to cover the work of the Capital Reserve Fund.

In a discussion that followed, Ms. DeVito expressed concern on health and safety requirements for students moving from classroom to classroom and her hesitance to approve expenditures without seeing revisions. She suggested that the district start with mandated issues. Mrs. Berezny commented on kitchen renovations (about \$15,000 for each building) and stated that the scope of improvements needs to be determined, citing lack of funding for Roanoke. Mr. Doyle stated that revisions will be made to the draft list to extend the life of Roanoke and that any use of the Capital Reserve Fund is subject to a public referendum. Mrs. Prete commented on the accessibility/walkway for students back and forth between the High School and Middle School and the need to mitigate the drainage problems in the area as soon as possible. Suggestion was, also, made to contact the Town of Riverhead to share in a 50/50 effort to defray costs to remove the tennis courts at Pulaski.

Mrs. Prete suggested that the Board have the opportunity to visit each school and review the needs of each facility as the RFP process moves along.

Motion Carried.

A motion was made by Mr. Griffing, seconded by Mr. Stark, to approve the following resolution:

RESOLVED, that the Board of Education of the Riverhead Central School District approves the appointment of Mark Finnerty, Plant Facilities Administrator, effective October 10, 2006 with a probationary period through January 9, 2007 at an annual salary of \$110,000, pro-rated as per contract for the 2006-2007 school year.

In a discussion that followed, Mrs. Prete requested the record to note that her "no" vote is due to the fact that a second candidate was interviewed whom she observed as having more certification and experience. Mr. Stark stated that Mr. Finnerty is being recommended as the candidate of choice based on his extensive experience.
