Mrs. Hulse Montefusco apologized for the absence of Mr. Doyle who will not be present for the remainder of

the meeting.

Mrs. Gassert spoke on Mr. Doyle's behalf and that of central administration to thank Mrs. Hulse Montefusco for her years of dedicated leadership to the Riverhead Central School District. She further commented on the lovely graduation ceremony that took place on Saturday and thanked all personnel for their efforts to make the day one of the most memorable.

Mrs. Berezny commented on the Class of 2006 graduation and noted that slides of the commencement can be viewed on the District's website: www.riverhead.net. She further commented on her attendance to the 8th Grade Moving Up ceremony on June 21. In addition, she took a moment to clarify among her Board of Education peers a memo from the Roanoke Avenue PTO included in the Weekly Update sent to the Board regarding a survey on uniforms. She stated that any concerns amongst the Board and between central administration should be factual and not based on innuendo as she had no prior knowledge of any survey being conducted. As a public official, Mrs. Berezny commented that she one day would like to be President of the Board of Education and is pro-active for the community at large.

Mrs. Prete agreed with Mrs. Berezny's comments and stated that she was glad to see the initiative taken to survey parents on *uniforms* and encouraged all the PTO's to conduct the same survey in a district-wide fashion in concert with the building principals. She complimented the Middle School Moving Up Ceremony as being just phenomenal and expressed a great deal of pride in our students who graduated and thanked administration for all their efforts to this end.

A motion was made by Mrs. Gassert, seconded by Mrs. Harkin, to amend the agenda to include the following resolutions:

Motion to Amend Agenda Carried.

Comments from the community included:

-request that the Board re-consider the abolishment of department heads (Mrs. Hulse Montefusco stated that the decision was based on concern that the most senior members of the staff were working less in terms of time in the classroom with children and that such a reconfiguration at the High School would maximize the benefit for the students.)

-the President of the RCFA commented on the abolishment of “select” department chairs and hiring of certified Assistant Principals who might not have the expertise in curriculum content to help lead those departments (*i.e.*, English Language Arts, Math, Science/Physics, etc.) as well as the teachers have (Ms. Carney stated that the goal is to provide more coordination/cohesiveness between the High School and Middle School and that the four Assistant Principals will be assigned specific duties).

Mr. Enos and Ms. Pekar, representing the Riverhead Administrators Association, thanked Mrs. Hulse Montefusco for her personal sacrifice and many years of leadership during her tenure as a member of the Board of Education.

WHEREAS, it has been determined that the employment of full time certified administrators who will be responsible for teacher observations and evaluations, and who would work with the Assistant Superintendent for Curriculum and Instruction on academic standards, curriculum, the improvement of classroom instruction and work on professional development, and who will better facilitate and coordinate department meetings during common planning times would serve as a better model for the effective delivery and oversight of the secondary academic program.

NOW THEREFORE, BE IT RESOLVED that the District hereby abolishes secondary department chair persons in foreign languages, social studies, science, math and English, and

BE IT FURTHER RESOLVED, that the incumbents in those positions are to be restored to full time teaching positions in their respective tenure areas.

In a discussion that followed, Mr. Griffing requested that frequent reports be given to the Board and that an evaluation of the model be conducted a year from now. Mrs. Harkin expressed that although the decision was not an easy one, she does support the model as it is, also, endorsed by Mr. McCaffrey. Mrs. Prete stated that she has not seen the resumes of the two recommended Assistant Principals nor their levels of expertise to make an informed decision; and, that while in favor of the model, the one being presented differs. Mrs. Berezny stated that she was not apprised of the changes to the model and would not vote in its favor.
