Yes 6 No 0  
Motion Carried.

Notice of Public Hearing regarding Environmental Impact, the installation of eight re-locatable classrooms at Riverhead High School

Mr. Singleton stated that this is just a notice that the state requires us to post regarding the installation of the portable classrooms at the Riverhead High School. Bottom-line is that because these classrooms are less than 10,000 square feet total, it does not require any action; therefore, it is called a Class II action and has no impact on the environment. The Board of Education will make recommendation to adopt the Environmental Impact Action resolution on the agenda.

A motion was made by Mrs. Gassert, seconded by Mrs. Harkin, to approve the Treasurer's Report for the month of February 2005.

Yes 6 No 0  
Motion Carried.

Mr. Doyle opted to pass on his review of the *ELA Grade 4 Overview* presentation initially planned for this evening in a timely manner. It will be presented at another date and time.

A motion was made by Mrs. Gassert, seconded by Mrs. Harkin, to amend to agenda to include the following resolution:

BE IT RESOLVED, that the position of Administrative Assistant to the Assistant Director of Pupil Personnel Services is hereby created effective July 1, 2005. The position shall receive the salary and benefits of the CSEA contract and administration is directed to submit all appropriate paperwork to Civil Service.

Minutes  
Board of Education  
April 19, 2005  
Page 6

Mrs. Montefusco apprised the public that a meeting with Town Board officials took place last week to discuss the Calverton site and the prospective transfer by the Town Board to the school district of approximately 50 acres. This Board of Education plans to have public hearings scheduled in the future for the purpose of receiving public input and comments on the prospective building projects. She requested Sandy Kolbo to include a section/contact on the district's website for the purpose of the public to send e-mails to the school district entitled *Comment* or *Input* regarding the building projects to facilitate communication between the community and Board of Education.

She, also, stated that earlier this week a breakfast was held at Phillips Avenue Elementary School to welcome the new Principal, Thomas Payton. On behalf of the Board of Education, she thanked Mr. Venezia for his hard work and efforts he displayed serving as Interim Principal.

Members of the several Parent Teacher Organizations of the district expressed their concern and objection in lengthy debate with regard to spending on BOCES sponsored Cultural Arts programs and the cap now placed on Cultural Arts spending pending plans to formalize its distribution/spending and reimbursement to be established in a Board policy and approved by the Board of Education for the 2005/06 school year. Mr. Singleton stated that Cultural Arts spending for this year is already twice the \$74,000 budgeted for; and, that

in light of the recent audits and scandals in school districts, established procedures and policies for such expenditures need to be examined and implemented.

Mrs. Montefusco assured the parents and teachers that it is not the district's intention to suspend field trips but to establish a policy and align curriculum so that all students can take advantage of the opportunities that the Cultural Arts program presents.

A motion was made by Mr. Griffing, seconded by Mrs. Harkin, to approve the following resolution:

RESOLVED, that the Board of Education of the Riverhead Central School District accepts the following recommendations of the Committee on Special Education regarding children with disabilities and whose Individualized Education Plans need to be implemented:
