- on behalf of the football team and other teams, a High School student questioned the Board on their decision to hold the homecoming game in the afternoon versus the evening (Mr. Doyle stated that the decision was made based on safety issues and ability to provide adequate security on the perimeters, some areas of which are unlit)
- other parents expressed disappointment and criticism that the Board chose to cancel the nighttime homecoming game  
and requested that the Board find a way to solve the safety concerns that would allow the night game to take place  
(Mr. Doyle stated that the decision was based on the safety for everyone and that the night games have only been in existence for the past four years – prior to that was a bonfire event and consideration will be given next year for return to a night game)
- Barbara Barosa, President of the RCFA, commented on the proud accomplishments of the High School Seniors who received many scholarships at the recent Scholarships and Academic Awards Night
