Dear Aquebogue families,

Spring is a time for rejuvenation, and that has never been more true than in our current circumstances. While we are unfortunately still far from being able to declare that the COVID-19 pandemic is behind us, there are many encouraging signs of hope that we will soon be able to return to an educational model unimpeded by health and safety concerns and focused first and foremost on the social, emotional, and academic development of our students.

As we enter the spring, we know there will be questions about how our typical end-of-year activities will be conducted. Right now we are in the midst of working with our staff, families, and district leadership to devise a plan to safely hold alternate versions of some traditional events, such as Field Day and Moving Up. As soon as we have detailed information on these events, we will share it with our school community.

We recently completed our family survey, the results of which were incredibly positive. We also received constructive feedback that we will use to continue to enhance our school experience. We look forward to sharing the results of this survey at a future PTO meeting.

Finally, as we head toward the end of the school year, I want to extend my deepest gratitude to our staff and family members for all of their resilience and flexibility in this most unusual of school years. Thank you for making it possible for us and our students to continue to learn and grow.

Abril 2021

Estimadas Familias de Aquebogue,

La primavera es una época de rejuvenecimiento, y eso nunca ha sido más cierto que en nuestras circunstancias actual. Si bien, lamentablemente, todavía estamos lejos de poder declarar que la pandemia de COVID-19 ha quedado atrás, hay muchas señales alentadoras de esperanza de que pronto podremos regresar a un modelo educativo sin obstáculos por preocupaciones de salud y seguridad y enfocados en primer lugar, principalmente en el desarrollo social, emocional y académico de nuestros estudiantes.

Al entrar en la primavera, sabemos que habrá preguntas sobre cómo se llevaran a cabo nuestras actividades típicas de fin de año. En este momento, estamos trabajando con nuestro personal, las familias y el liderazgo del distrito para realizar de manera segura versiones alternativas de algunos eventos tradicionales, como Field Day (Día de Campo) y Moving Up (Subiendo para arriba). Tan pronto como tengamos informaciones detallada sobre estos eventos, la compartiremos con nuestra comunidad escolar.

Recientemente completamos nuestra encuesta familiar, cuyos resultados fueron increíblemente positivos. También recibimos comentarios constructivos que usaremos para continuar mejorando nuestra experiencia escolar. Esperamos poder compartir los resultados de esta encuesta en una futura reunión del PTO.

Finalmente, a medida que nos acercamos al final del año escolar, quiero extender mi más profundo agradecimiento a nuestro personal y miembros de la familia por toda su resistencia y flexibilidad en este año escolar tan inusual. Gracias por hacer posible que nosotros y nuestros estudiantes sigamos aprendiendo y creciendo.
