August 2020

It is my great pleasure to be able to welcome you back to school this fall.

The last six months have been challenging in so many ways. I want to thank our staff, students, families, and community members for all of their support and efforts throughout the pandemic. The strength of Aquebogue has always been our T.E.A.M. approach; that is what has gotten us through the toughest moments and no doubt it is what will propel us through our recovery.

When we return to school, things will be different; what won't change is the commitment of our administration and staff to providing every student a world-class educational experience. We look forward to partnering with you to continue to make that a reality.

As we re-open, the safety of students and staff is our number one priority. In our Re-Entry Handbook posted on our website you will find answers to commonly asked questions about our hybrid re-opening. Please read through this entire document. Although we have tried to anticipate everything, new concerns will undoubtedly arise. We encourage you to reach out directly with any questions you feel are not adequately addressed therein, and we will continue to update this document as necessary.

Thank you and we look forward to seeing you and your child in September.

Agosto 2020

Estimadas familias de Aquebogue,

Es un gran placer para mi poder darle la bienvenida al escuela este otoño.

Los últimos seis meses han sido desafiantes de muchas maneras. Quiero agradecer a nuestro personal, estudiantes, familias y miembros de la comunidad por todo su apoyo y esfuerzos durante la pandemia. La fuerza de Aquebogue siempre ha sido nuestro T.E.A.M. Acercase; eso es lo que nos ha ayudado a superar los momentos más difíciles y sin duda es lo que nos impulsara a través de nuestra recuperación.

Cuando regresemos a la escuela, las cosas serán diferentes; lo que no cambiara es el compromiso de nuestra administración y personal de brindar a cada estudiante una experiencia educativa de clase mundial. Esperemos poder colaborar con usted para seguir haciéndolo realidad.

Al reabrir, la seguridad de los estudiantes y el personal es nuestra prioridad número uno. En nuestro manual de reingreso publicado en nuestro sitio web, encontrara respuestas a preguntas frecuentes sobre nuestra reapertura hibrida. Lea todo este documento. Aunque hemos intentado anticiparnos a todo, sin duda surgirán nuevas preocupaciones. Le recomendamos que se comunique directamente con cualquier pregunta que considere que no se aborda adecuadamente en este documento , y continuaremos actualizando este documento según sea necesario.

Gracias y esperamos verlos a usted y a su hijo/ja en Septiembre.

Sinceramente,
