September 2021,

We are excited about the start of the 2021-22 school year!

On September 2nd, we welcomed our students to Riley to begin the school year. On behalf of our faculty and staff, we welcome you to our community of learners. We seek to provide a well-rounded education that includes both academic and social components in a supportive K-4 environment.

Our school's goals for the year include the following:

- Emphasis on formative student assessment across the curriculum
- Continue all aspects of our balanced literacy approach, with special attention to Grades K-2
- Continued Implementation of Ready Math to meet the needs of all our students with attention to Grades 3-4
- Continued implementation of National Geographic Science program- Grades K-2
- Continued implementation of Carolina Biological Science Program. Grades 3-4

Character education with an ongoing emphasis on the virtue of the month and community service.

Maintaining a safe learning environment, including anti-bullying initiatives and ongoing safety drills.

Encouraging an appreciation of all cultures within our school community.

Integrating technology in classrooms to support 21st century learning.

Wellness, with an emphasis on healthy choices.

As always, if you have questions or concerns, please feel free to contact us. As we have written for many years, it is a pleasure to be your administrators.
