Dear Parents/Guardians,

The purpose of this letter is to inform you that Riverhead Middle School is a Title 1 school. Our school district receives funding from many sources, one of which is Title I, Part A, a grant from the federal government. As a condition for receiving these funds, the federal Every Student Succeeds Act (ESSA) allows parents of students who attend Title I funded schools to request certification information about the qualifications of the teachers and paraprofessionals assigned to their child.

You are entitled to know:

- whether the teacher has met state certification criteria for the grade levels and subject areas in which the teacher provides instruction;
- whether the teacher is teaching under emergency or other provisional statutes through which State certification criteria have been waived;
- the baccalaureate degree major of the teacher, any other graduate certification degree held by the teacher, and the field of discipline of the certification or degree;
- whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to obtain this information, please contact Interim Superintendent, Christine Tona at Christine.tona@riverhead.net, in writing to request this information.

Sincerely,

A handwritten signature in black ink that reads "Stephen C. Hudson". The signature is fluid and cursive.
