Dear Parent/Guardian of Juniors at Riverhead High School:

Over the past several weeks, the High School counselors have been meeting with all of our students through his/her English classes to assist each student select courses for next school year. Selecting courses for the senior year is especially important and can have a direct impact on a student's future college/career path. Now that we have concluded course selections, the counselors are inviting juniors along with their parents/guardians to discuss his/her senior schedule as well as the post-secondary college/career planning process. These student/parent/guardian meetings will take place between **April 4 and May 9**.

Junior Conferences are designed to focus on the needs of each individual student. Some of the topics discussed during these conferences are:

- Student transcript review and graduation requirements
- Course selections for senior year
- Student's strengths and interest areas
- Understanding Naviance
- Career planning
- Post-secondary planning
- Testing information (SAT, ACT exams)
- Your child's personal "To do" list

Please contact your child's guidance counselor via phone or email to schedule an appointment. We are available to meet with you by phone, virtually (computer meet) or in person. It is very important for us to work together to help your child reach his/her fullest potential.

Sincerely,

Charles M. Gassar
Director of Guidance
