

July 26, 2021

Dear Riverhead Families,

The District was notified that a student in one of our summer programs has tested positive for COVID-19.

School: Roanoke Avenue Elementary School

Positive Cases: 1

Last Date of In-person Attendance: July 23, 2021

Date of Positive Test: July 24 2021

Out of abundance of caution, we are moving our SNAPPY XO Robotics program to a remote platform for the remainder of the week.

After receiving a positive test, the student is required to quarantine pursuant to the most recent Suffolk County Department of Health Services (SCDHS) [guidelines](#). The District will notify those who are identified as being in close contact and issue quarantine orders if applicable.

Thank you for your support to ensure the health and safety of our school community.

Sincerely,

Dr. Augustine E. Tornatore
Superintendent
