Dear Blue Waves Families,

Over the course of the pandemic, our district has continued to advocate for our community and voice our collective concerns over matters directly impacting education. As we move into the new year, we know that many in our community have questions, opinions and concerns over a myriad of COVID-19 related matters.

To help those personal beliefs get heard by those with the power to issue guidance and directives to school districts, we encourage residents to write directly to their elected officials. The district maintains a listing of state and local elected officials on our website. For easy access to that information, please click the following link: https://www.riverhead.net/community/community_advocacy.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Aug E. Tornatore'.
