Dear Aquebogue Families,

The purpose of this letter is to inform you that Aquebogue Elementary School is a Title I school. Our school district receives funding from many sources, one of which is Title I, Part A, a grant from the federal government. As a condition for receiving these funds, the federal Every Student Succeeds Act (ESSA) allows parents of students who attend Title I funded schools to request certification information about the qualifications of the teachers and paraprofessionals assigned to their child.

You are entitled to know:

- whether the teacher has met state certification criteria for the grade levels and subject areas in which the teacher provides instruction;
- whether the teacher is teaching under emergency or other provisional statutes through which State certification criteria have been waived;
- the baccalaureate degree major of the teacher, any other graduate certification degree held by the teacher, and the field of discipline of the certification or degree;
- whether your child is provided services by paraprofessionals and, if so, their qualifications.

If you wish to obtain this information, please contact Dr. William R. Galati, Executive Director of Secondary Education, Grants and Student Outcomes, in writing to request this information.

Sincerely,

Bryan Miltenberg
Principal
