FALL VIRTUAL COURSES

4 SATURDAYS

NOVEMBER 5, 12, 19 AND DEC. 3, 2022

9:00AM Video Game Design & Coding

Join our master coding teacher as you learn to code and create your own games. *Grades 3-8.*

10:00AM Canvas Paint Night in the AM

Join a master art teacher as we paint a canvas each day. This time we will highlight autumn scenes in nature. *Grades 6-12.*

11:00AM Storybook Cooking

Join Mrs. Mondelli as you read famous children's books and make the delicious recipes from those books. From picture books to Harry Potter, we will hear the stories, learn the recipes and have fun with friends! Lunch will be served at the end of this great virtual course. *Grades K-5.*

WINTER VIRTUAL COURSES

4 SATURDAYS

JANUARY 21, 28, FEB. 4 & 11, 2023

9:00AM Xtreme STEM Architecture & Engineering

Learn from a master STEM teacher as you design, build, construct & test buildings and structures through learning different architecture styles and features. *Grades 3-8.*

10:00AM Pottery & Sculpting Creations

Join a master art teacher as you work with clay pottery to create beautiful pieces for your home or room. We will be using air dry Terracotta clay. *Grades K-5*

11:00AM World-Wide Chef Masters

Join Mrs. Mondelli as you learn about top chefs from around the world, learn their history, culture, background and cook their top recipes. This class will teach you the skills you need to bring your cooking to the next level. Lunch will be served at the end of this great virtual course. *Grades 2-12.*
