Dear Riverhead Community,

The District was informed earlier today by the Riverhead Police Department that an incident that took place off of school grounds may have involved a District student. Officers from the Riverhead Police Department were on site at the high school this afternoon to speak to several students. As a result of those interactions, one student was taken into custody.

The Riverhead Central School District is fully cooperating with the Riverhead Police Department as it continues its investigation.

The District's commitment to the health and safety of its students, faculty and community is steadfast and primary. As this is an ongoing police matter, there is no additional information the District can share at this time.

Sincerely,

A handwritten signature in black ink, appearing to read 'Aug E Tornatore', is written over the 'Sincerely,' line.
