Dear Blue Waves Families,

As we enter our winter recess, the Board of Education and I have taken a moment to reflect on the wonderful successes our District has had so far this year. Once again, the achievements of our students and schools are a direct result of the dedication and leadership of our entire community. This includes, of course, our remarkable students but also our inspirational faculty and staff, committed Board of Education and attentive and supportive families and community members.

We would like to thank you for your contributions to the accomplishments and excitement that has already marked the 2022-2023 school year. We intend to continue and expand upon this success, and I am exceptionally grateful to share this incredible experience with such a wonderful District and community.

We wish everyone a well-deserved break as we prepare to resume our lesson plans, programs, events and activities when we return to schools on January 3rd. Stay safe and healthy as you take this time to connect with loved ones and embrace the compassionate and thoughtful nature of the season.

Happy Holidays, Happy Hanukkah, Merry Christmas, Happy Kwanzaa and Happy New Year!

Sincerely,

A handwritten signature in black ink, appearing to read "Aug E. Tornatore".
