

1. With stakeholders, advocate on behalf of the Board and RCSD at the local and state level.
2. Provide first-year Board trustees with mentorship, including information and training related to the business, finance and advocacy functions of the school district.
3. Oversee the implementation of the district's strategic plan, assess benchmarks, and address barriers to success:
 - Fully implement continuum of services for all subgroups
 - Provide ongoing professional development in the area of foundational literacy, with a focus on structured, explicit and multi sensory methods and identify the students who may benefit from this approach
 - Provide opportunities for students to be involved in discussions and decisions pertaining to the health, safety and culture of their community
 - Ensure timely dissemination of information to students and parents
 - Provide ample opportunity for the community to express its opinions and concerns
 - Expand district mental health services and strengthen community partnerships that provide additional support for students and families (MTSS plan)
 - Further support, enhance and address facility needs across the district
4. Ensure that tax dollars are spent efficiently and effectively, and by setting tax levies that are sensitive to local economic realities.
5. Review and approve a reserve plan and a 5 year fiscal plan to ensure the long term financial security of the district.
