Dear Blue Waves community,

As we approach the holiday break and new year, I am filled with gratitude and warm wishes for each and every one of you. It is with great pleasure that I take this opportunity to reflect on the past year and extend my heartfelt thanks to our community for your unwavering support of our students and staff.

At this special time of year, I am reminded of the strength and resilience that embodies our wonderful community. Through all of the challenges and the achievements that have been celebrated together, your commitment to our students' well-being and academic success has been inspiring. It is this collective spirit that continues to make Riverhead a truly exceptional place to live and learn.

I am proud to acknowledge the remarkable achievements of our students, the dedication of our educators, and the unyielding support of our parents and community members. The holiday season also serves as a powerful reminder of the values that unite us as a community, and I am encouraged by the acts of goodwill and generosity that I witness in Riverhead every day.

In closing, I extend my warmest wishes to you and your loved ones for a joyous holiday vacation filled with love, laughter, and cherished moments. May the spirit of the holidays bring you peace and happiness, and may the new year be filled with prosperity and success.

Thank you for your continued support and dedication to our students. I am honored to serve as your interim superintendent of schools, and I look forward to the many opportunities that await us in the coming year.

Warm regards,

Cheryl Pedisich
